

# OPEN DISTANCE LEARNING

July 2006 In-Service Training for Schools and Adult

**Date:** 10-14 July 2006  
**Venue:** Urbino, Italy  
**Reference Number:** IT-2006-048

## Grundtvig 3 Course

### OPEN DISTANCE LEARNING TEACHER TRAINING

#### Course objective

To introduce key-issues of Open Distance Learning based on examples of best practice

#### Content

Course design, teaching methods, learning environments, response and feed-back. Legal and quality aspects.

#### Methodology

Key-note speakers, exchange of experiences, discussions, exercises and hands-on.

#### Preparation requested in advance of the course

Before the course each participant will be asked to fill out a questionnaire about his or her own organisation and about expectations and needs in connection with ODL. The participants will also be given access to the website and the course material.

#### Outcome

The desired outcome will be a better understanding of possibilities and difficulties when implementing ODL in adult education.

#### Certificate

The hosting institution together with the Training and Employment Office of the Province of Pesaro and Urbino will provide a certificate of participation with relevant course information.
